

SKYWARD FAMILY ACCESS

makes it easy to be active in your child's education!

Skyward Family Access is an easy and useful online tool that allows parents and guardians to monitor their child's grades, attendance, academic history, and more! With the Family Access web portal, you can review your child's progress with just a "point and click" from your home or office. Your Family Access password and user name will work for all children currently enrolled in the District who live in your household, regardless of grade level or school. **For any Skyward questions, please email or call your school office.**

With Family Access, you can view:

- bus route & stop information
- food service info (benefits, purchases, etc.)
- grades & missing assignments
- class schedules
- attendance & discipline history
- health & immunization information
- emergency contact information

Stay "in the know" with Skyward Mobile Access

This free app empowers students and their families to keep track of all their grades, schedules, attendance, and more.

★ INFORM YOUR CHILD'S SCHOOL OFFICE OF UPDATED CONTACT INFORMATION ★

The Skyward Student Information System is connected to SchoolMessenger, our parent notification system. SchoolMessenger is an automated system used to communicate important messages via telephone and/or email. These messages can be from the District Office or your child's school, and can include information about school closures due to adverse weather, attendance information, and school news.
