

# Community Connections

January 23, 2017

## School Resource Officer Positive Addition to District

Steilacoom School District Resource Officer Justin Hamrick and Steilacoom High Health teacher Keri Schultz-Brace instruct students on the dangers of impaired driving. The interactive presentation to all Health classes is an essential part of the curriculum, informing and encouraging students to make safe choices. Officer Hamrick has an office at Steilacoom High School but is available to all schools for student and staff instruction. All schools appreciate Officer Hamrick's leadership skills and positive student interactions.
