

TODDLER-TWO'S CLASS

In this program, we provide an environment where children and parents learn and grow together. The curriculum provides opportunities for children to develop physically, intellectually, emotionally, and socially through play which builds a strong foundation for success in later schooling and in life. Parents are supported to grow in their role as their children's first teacher and best resource.

- **Ages:** 18-36 months
- **When:** 9-11 a.m., Wednesdays
Offered fall, winter and spring quarters
- **Cost:** \$28 class registration fee per quarter
\$66.50 tuition per quarter
- **Staff:** Parent Education instructor and an early childhood specialist
- **Parent Education:** A parent education component is included; two college credits earned.

THE NURSERY SCHOOL LAB

This is a developmental program that emphasizes the whole child with science at the center of our curriculum. The program emphasizes the value of play and hands on experiences through music, art, literature, dramatic play, and math.

- **Ages:** 3-6 years
- **When:** 9-11 a.m.
Mondays, Tuesdays and Thursdays
Fall, winter, spring, and summer entry
