**REGULAR BOARD MEETING**

Date: June 12, 2013

**TO:** Members, Steilacoom Historical School District Board of Directors

**ISSUE:** x **ACTION** Approval of Administrative Personnel Contracts for 2013-14  
     **INFORMATION**

**BACKGROUND INFORMATION:**

The attached personnel action recommends issuance of contracts for certificated administrative personnel in the Steilacoom Historical School District, including principals, assistant principals, and one executive director.

If approved, principal and assistant principal contracts would be issued commencing on July, 1 2013 with one year duration in accordance with the current "Meet and Confer" agreement between the District and Steilacoom Principals' Association, including applicable step increases.

The Superintendent recommends that the Executive Director for Student Services contract be issued with a salary of \$102,000 to more accurately reflect the current market for this position in light of similar size district and experience level of this employee. This contract is a one year contract commencing on July 1, 2013.

**RECOMMENDED DECISION:**

It is the recommendation of the Superintendent that the Board approve the attached Administrative Personnel Action and authorize the Superintendent to issue contracts accordingly.

**FISCAL IMPLICATIONS:**

The cost of step increases for principals who qualify.

**Report prepared by:**

Superintendent, Bill Fritz

**AUTHORIZATION OF FACSIMILE SIGNATURE**

**Board Resolution No. 795-06-12-13**

WHEREAS, Chapter 86, Laws of 1969, as codified in RCW 39.62 authorizes the use of facsimile signatures by any public officer in lieu of a manual signature to execute any "public security" or any "instrument of payment";

WHEREAS, the statute further requires that before any authorized officer may use a facsimile signature plate or stamp, he/she must file a manual signature with the Secretary of State, duly certified while under oath; and

WHEREAS, Kathi Weight, Interim Superintendent/Secretary of Board, has filed Certificate of Manual Signature, duly certified under oath, with the Auditor of Pierce County.

NOW, THEREFORE, BE IT RESOLVED that the facsimile plate or stamp, as imprinted below, for Kathi Weight, Interim Superintendent/Secretary, be accepted for use in lieu of a manual signature on any public security or any instrument of pay of Steilacoom Historical School District No. 1.

**AUTHORIZATION OF WARRANT SIGNATURE**

**Board Resolution No. 796-06-12-13**

WHEREAS, Kathi Weight has been designated as Interim Superintendent/Secretary to the Board of School District No. 1 effective July 1;

WHEREAS, the Secretary to the Board is required to sign all warrants ordered to be issued by the Board of Directors; and

WHEREAS, the number of payroll and all accounts payable warrants issued each month by School District if signed personally by the President of the Board would impose too great a task.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of Steilacoom Historical School District No. 1, Pierce County, Washington, as follows.

- A. After the Board has audited all payrolls as provided in RCW 28A.330.090, authorization be given to the Board Secretary to draw and sign said warrants which will be specified by date, number, name, and the amount on the Payroll Warrant Register to be processed to the County Treasurer. The Payroll Warrant Register is to be signed by the President of the Board, or in his/her absence, the Vice-President or any Board member and countersigned by the Secretary to the Board, as provided by RCW 28A.330.080.
- B. After the Board has audited all bills as provided by RCW 28A.330.090, authorization be given to the Board Secretary to draw and sign said warrants which will be specified by date, number, name, and amount of one general certificate and processed to the County Treasurer. This certificate is to be signed by the President of the Board or, in his/her absence, the Vice President or any Board member and countersigned by the Secretary to the Board as provided in RCW 28A.330.080.

BE IT FURTHER RESOLVED that the signatures below are the true and correct signatures to appear on said warrants or certificates effective July 1, 2013.

The Pierce County Treasurer is hereby authorized to pay all warrants authorized by such signatures.

Surplus Equipment Form**

School: MaintenanceDate: 5-10-13Staff Member: Peggy UGLICKPhone: 584-7241

## [ ] Step 1

- a. **For Computer Equipment:** contact Tech Department to determine usability; if useable: prepare a memo signed the Principle and advertise the equipment (via email) to see if another school can use. If no takers after 5 business days, attach a copy of the email to this form and forward to the Business Office. If not useable: need Tech Dept. signature and send memo to Business Office.

Agency Tech Signature: \_\_\_\_\_ Date: \_\_\_\_\_

- b. **For Surplus Equipment Excluding Computer:** prepare a memo, signed by a department head, and advertise the item (via email) to see if another school can use. If no takers and 5 business days, attach a copy of the email to this form and forward to the business office.

## [ ] Step 2 Transferring Items to a New School/Department

Send this form and attached memo to the Business Office so department inventories can be updated. Complete this chart for the item(s) being transferred with the Principals signature below.

Description	Serial Number	SHSD Tag #	New Owner

## [ ] Step 3 Items for Disposal

If no one can use the item, complete the chart below (add additional items on back). If the items include computers, monitors, etc., contact Agency Tech assistance with disposal status. For non-tech items the form goes directly to the Business Office.

Description	Serial Number	SHSD Tag #	Dept. Owner	\$ Value
See attached sheet				

Reason for Disposal: disrepair / no longer needed

The Business Office will send you a copy of this form after the item has been approved for surplus (items under \$2,000 will have Business Office signature and items over \$2,000 will have Superintendent Signature). Maintenance will contact you about disposal and if the items include computers, etc. Tech dept. will assist with hard drive and ID tag removal prior to disposal.

**Resolution No. 801-06-12-13**

RESOLUTION, WASHINGTON, DELEGATING AUTHORITY TO WIAA

WHEREAS Chapter 32, Laws of 1975-76, 2nd Ex. Sess. grants authority to each school district board of directors to control, supervise and regulate the conduct of interschool athletic activities and other interschool extracurricular activities of an athletic, cultural, social, or recreational nature for students in the district.

WHEREAS Chapter 32, Laws of 1975-76, 2nd Ex. Sess. authorizes school district boards of directors to delegate control, supervision and regulation of any of the aforesaid activities to any voluntary, nonprofit entity and to compensate any such entity for services provided subject to the satisfaction of certain conditions and approval by the State Board of Education.

WHEREAS the Washington Interscholastic Activities Association is a voluntary, nonprofit entity which has satisfied the conditions, expressly set forth in Chapter 32, Laws of 1975-76, 2nd Ex. Sess. and has further been approved by the State Board of Education in action taken on August 17, 1977.

WHEREAS the Board of Directors of the Steilacoom Historical School District No 1 being otherwise fully informed of the rules and regulations of the Washington Interscholastic Activities Association as approved by the State Board of Education and recognizing that said rules and regulations provide for private sponsorship of post-season tournaments for extracurricular activities by WIAA, consent to abide by such rules and regulations.

NOW THEREFORE, the Board of Directors of the Steilacoom Historical School District No. 1 hereby delegates to the Washington Interscholastic Activities Association the authority to control, supervise and regulate interschool activities consistent with the rules and regulations of WIAA. The Board of Directors retains the right to establish eligibility standards that meet or exceed the rules and regulations of WIAA.

THE FOREGOING RESOLUTION was adopted at a regular meeting of the Board of Directors of the aforesaid School District on the 12th day of June 2013, the following members being present and voting:

## **INTERSCHOLASTIC OFFICIALS L&I COVERAGE STATEWIDE**

Beginning July 1, 1988, interscholastic sports officials were covered by Washington State Labor and Industries via a common rate and payment system that eliminated game-by-game calculation and record keeping by school and/or district business offices. WIAA will guarantee payment of L&I premiums for WOA registered officials for all interscholastic activities under WIAA's jurisdiction and will assess WIAA member schools via classification rates at the same time service fees are billed. Officials L&I coverage is only in effect for activities authorized and offered by School Board approval and listed on the school's WIAA membership form.

### **I. CALL TO ORDER**

Chair Scott called the meeting to order at 7:03 pm.

Director Callanan led the Pledge of Allegiance.

Superintendent Fritz and all Directors present except Director Denning. Director Wong made a motion to excuse Director Denning; no second made to the motion.

Director Callanan made a motion to approve the agenda with the removal of items # 3 and 4 and renumbered the agenda; Director Wong seconded the motion and the motion passed (4/0).

### **II. COMMENTS FROM THE AUDIENCE**

No comments.

### **~~III. RECOGNITION OF RETIREES~~**

### **~~IV. RECOGNITION OF SHS FRENCH EXAM STUDENTS~~**

### **III. PRESENTATION - 2012-13 SHS ASB Year in Review**

Steilacoom High School ASB Team 2012-2013 Grace Nguyen, Mariah Rodocker and Morgan Boyd presented the 2012-2013 Year in Review ASB activities, events and accomplishments.

### **IV. REPORTS**

#### **a. Financial**

Veronica Moore, Fiscal Coordinator presented financial reports.

Supt. Fritz introduced Cairn Steele, who is contracting with the District for financial reports & budgets while a new Executive Director of Finance & Operations is being hired.

#### **b. Capital Projects**

- Saltar's Point modular building project broke ground this week. The foundation will be poured next week and crane scheduled for June 18. Project is on schedule to be completed mid-August.

- Transportation Facility - architects currently in design phase Transportation study complete and being submitted to City of DuPont this week.
- District Office project- the architect and owner's representative met with the Board at the study session tonight regarding the design.

### **c. Asset Preservation**

Bruce Parker, Maintenance Supervisor, presented the findings of the building inspection required annually. Additionally, an inspection was completed by an independent inspector, paid for by grant monies. The number of work orders submitted due to these inspections is significantly lower than a year ago.

## **V. APPROVAL OF MINUTES**

Director Winkler made a motion to approve the 5.8.13 minutes; Director Wong seconded the motion and the motion passed (3/0/1 Callanan abstain).

## **VI. CONSENT AGENDA**

**Steilacoom Historical School District Board of Directors**

**REGULAR BOARD MEETING**

Date: June 12, 2013

**TO:** Members, Steilacoom Historical School District Board of Directors

**ISSUE:**   X   **ACTION:** First Reading Board Policy No. 2410

**BACKGROUND INFORMATION:** Currently graduation requirements include Independent Living, an Occupational Class, in addition to the two Occupational Class state requirements. Since going to a 6 period day we have limited the number of electives available to students from a one time high of 11 credits to 5 for the class of 2016. Students who, for instance, want to take Band all four years may not be able to fit this into their schedule because of our requirement to take three Occupational Classes vs. the State mandated two. We are requesting to change the Graduation Requirements to still include Independent Living, but it will be included as one of the two State mandated Occupational classes.

Social Studies District requirements have changed with the addition of Civics to the Class of 2016 and the moving of Washington State History to the middle school. Classes of 2014-15 requirements are now Economics/Geography-.5 credit, World History-1.0 credit, US History-1.0 credit and Contemporary World Affairs-.5 credit. Class of 2016 requirement is now Economics/Geography-.5 credit, World History-1.0 credit, US History-1.0 credit, Contemporary World Affairs-.5 credit and Civics-.5 credit.

Delete para. D., c. WAC 180-51-050 was amended to eliminate the 150 hour seat time requirement as the sole definition of a credit. This will allow a school district, by written policy, to substitute a non-time based definition of a credit and clarify that this definition is related to: (a) successful completion of course work; and (b) proficiency/competency based credit for knowledge or skills gained outside of a public school classroom setting.

**FISCAL IMPLICATIONS:** None

**RECOMMENDED DECISION:**

It is the recommendation of the Superintendent to move Policy 2410 to a second reading.

**Report prepared by:**

Brian Hanson, Principal, Steilacoom High

## HIGH SCHOOL GRADUATION REQUIREMENTS

- A. The board shall award a regular high school diploma to every student enrolled in the district who meets the requirements of graduation established by the district. Only one diploma shall be awarded with no distinctions being made between the various programs of instruction which may have been pursued.

The board shall establish graduation requirements which, as a minimum, satisfy those established by the State Board of Education:

Class of 2013                      23.5 credits required  
Class of 2014 and beyond      22 credits required

Subject	<del>Class of 2013</del>	Class of 2014-2015 Minimum State Credit Requirements	Class of 2016 Minimum State Credit Requirements (unless district has filed an extension with the State Board of Education for Class of 2018)

Total State and District Credit Requirements	23.5	22	22

Formatted: Left

NOTE: Career and Technical Education (CTE) courses determined to be equivalent to a non-CTE course may be used to meet two graduation requirements.

The board shall approve additional graduation requirements as recommended by the superintendent.

In addition to the minimum credit requirements, to earn a diploma each student must:

1. Pass the reading and writing portions of the statewide assessment; or a state-approved alternative;
  2. Complete a High School and Beyond Plan: Within the first year of high school enrollment, each student shall begin a plan for satisfying the state and district's high school graduation requirements and for their first year after high school completion. The plan should be developed in collaboration with the student, parent and district staff. The plan should include how the student will satisfy the district's academic credit requirements. Each student plan should be reviewed annually at the beginning of the school year to assess student progress, to adjust the plan, and to advise the student on steps necessary for successful completion of the plan;
  3. Complete a Culminating Project: The project shall demonstrate the student's ability to think analytically, logically and creatively and to integrate experience and knowledge to form reasoned judgments and solve problems. The project will also have a connection to the world of work in that it will demonstrate that the student understands the importance of work and how performance, effort, and decisions directly affect future career and educational opportunities;
  4. Complete math requirements: Students in the Classes of 2013 and 2014 must pass one end of course assessment (either Algebra I or Geometry or their integrated math equivalents) or state-approved alternative. Students in the classes of 2015 and beyond must pass two end of course assessments (Algebra I and Geometry or their integrated math equivalents) or state-approved alternative.
  5. Complete science requirements: Students in the class of 2015 and beyond must pass the biology end of course Exam or a state-approved alternative.
- B. Students, in the Class of 2013 and beyond, must complete mathematics courses in one of the following progressive sequences.
- a. Algebra I, Geometry, and Algebra II; or
  - b. Integrated Mathematics I, Integrated Mathematics II, and Integrated Mathematics III; or
  - c. Any combination of (a) and (b) in progressive sequence.

In lieu of a third credit of mathematics students may choose an alternative mathematics course, if the parent/guardian agrees that the third credit mathematics elective is supportive of the student's education and career goals. Before approval of the elective third mathematics credit a meeting will be held with the student, the parent/guardian and the school staff to discuss the student's High School and Beyond Plan and the mathematics requirements for post-secondary and career choices.

The district will obtain a signed consent from the parent for the student to enroll in the alternative third credit of mathematics. The consent form will confirm the meeting, that the parent understands the impact of the selection on the student's educational and employment options, and that the alternative is most appropriate for the needs of the student.

Students may also satisfy the mathematics requirements by earning equivalency based credit in career and technical education mathematics courses. Those credits must be recorded using the equivalent academic high school department designation.

- C. A student will receive a certificate of academic achievement only if they earn the appropriate number of credits required by the district, complete a culminating project, complete the high school and beyond plan; and meet the reading, writing and math standards on the high school High School Proficiency Exam (HSPE) or an appropriate alternative assessment.

Students qualifying for special education services will earn a certificate of individual achievement as determined by their individual education plan.

- D. High school credit will be awarded for successful completion of a specified unit of study. In this district, successful completion of a specified unit of study means:
- a. Earning a passing grade according to the district's grading policy; and/or
  - b. Demonstrating proficiency/mastery of content standards as determined by the district; ~~and/or,~~
  - c. ~~Successfully completing an established number of hours of planned instructional activities to be determined by the district.~~

The district will establish a process for determining proficiency/mastery for credit-bearing courses of study.

- E. The superintendent shall develop procedures for implementing this policy which include:
1. Establishment of the process and assessment criteria for the high school culminating project requirements; and determination of the education plan process for identifying competencies.
  2. Establishing the process for completion of the High School and Beyond Plan.
  3. Recommending course and credit requirements which satisfy the State Board of Education requirements and recognize the expectations of the citizens of the district.
  4. Determining which courses satisfy particular subject area requirements and whether a particular course may satisfy more than one subject area requirement including a process for determining the credits the district will recognize for courses taken through another program recognized by the state (another public school district, an approved private school) or those courses taken by students moving into the state from another state or country. Decisions regarding the recognition of credits earned before enrolling in the district will be based on the professional judgment of the high school principal or designee based on an evaluation of the student's former program and demonstrated knowledge and skills in the discipline for which credit is sought. The decision of the principal may be appealed to the superintendent within fifteen school days.
  5. Making graduation requirements available in writing to students, parents and members of the public.
  6. Providing for a waiver of graduation requirements for an individual student when permitted. All state graduation requirements must be satisfied unless a waiver is permitted by law;
  7. Granting credit for learning experiences conducted away from school
  8. Granting credit for correspondence, vocational-technical institutes and/or college courses for college or university course work the district has agreed to accept for high school credit, state law requires that the district award one high school credit for every five quarter hour credit or three semester hour credit successfully earned through a college or university, except for community college high school completion programs where the district awards the diploma; tenth and eleventh grade students and their parents shall be notified annually of the Running Start Program.
  9. Granting credit for work experience.
  10. Granting credit based upon competence testing, in lieu of enrollment.
  11. Granting credit for high school courses completed before a student attended high school, to the extent that the course work exceeded the requirements for seventh or eighth grade upon parent request

The academic level of the course exceeds the requirements for seventh and eighth grade classes and the course would qualify for high school credit, because the course is similar or equivalent to a course offered at the high school in the District.

12. Counseling of students to know what is expected of them for completion of their schooling.
13. Preparing a list of all graduating students for the information of the board and release to the public.
14. Preparing suitable diplomas and final transcripts for graduating seniors.
15. Planning and executing graduation ceremonies.
16. Developing student learning plans for students who are not successful on one or more components of the statewide assessment.

In the event minimum test requirements are adopted by the board, a student who possesses a disability shall satisfy those competency requirements which are incorporated into the Individualized Education Program (IEP). Satisfactory completion of the objectives incorporated into the IEP shall serve as the basis for determining completion of a course.

A student shall be issued a diploma after completing the district's requirements for graduation. In lieu of the certificate of academic achievement, special education students may earn a certificate of individual achievement. A student shall also be advised that he/she may receive a final transcript.

However, a student's diploma or official transcript may be withheld until the student pays for any school property that has been lost or willfully damaged. Upon payment for damages, or the equivalency through voluntary work, the diploma or transcript will be released. When the damages or fines do not exceed \$100, the student or his/her parents shall have the right to an appeal using the same process as used for short-term suspension as defined in Policy 3241, Classroom Management, Corrective Actions or Punishments. When damages are in excess of \$100, the appeal process for long term suspension as defined in Policy 3241, Classroom Management, Corrective Actions or Punishments shall apply.

Graduation requirements in effect when a student first enrolls in high school shall be in effect until that student graduates unless such period is in excess of ten years.

In the event that other forms of corrective actions are imposed for violations of school rules, the student may be denied participation in graduation ceremonies. Such exclusion shall be regarded as a school suspension. In such instances, the diploma will be granted.

## Steilacoom Historical School District Board of Directors

### REGULAR BOARD MEETING

Date: June 12, 2013

TO: Members, Steilacoom Historical School District Board of Directors

ISSUE: \_\_\_\_\_ ACTION

X INFORMATION \_\_\_\_\_ Transportation Analysis

#### **BACKGROUND INFORMATION:**

In April, the District had received a citizen/parent inquiry regarding the start time at Steilacoom High School, concerned that there are educational benefits to a later start time based on cited research. Upon receipt of the inquiry, several Board members asked the Superintendent and staff to investigate the feasibility of modifying the start time at the high school to a later time.

This year, the start time was adjusted to a later time (by 10 minutes) through route efficiencies, and this change was successfully implemented. This same process yielded the ability to end the primary schools earlier since the District had heard some concern about younger students arriving home at dusk in the winter.

The District currently runs a four-tier transportation structure. High school (SHS) first, middle school (Pioneer) second, intermediate school (Saltar's Point) third and primary schools (Chloe Clark and Cherrydale) fourth. This system works because of the geography of the district and efficiencies of having the fleet "alternate" between transportation to Steilacoom and DuPont.

The District realizes a high level of efficiency with four tiers, while maintaining quality levels of service.

In analyzing possible solutions that would allow for a delayed start time at the high school, the district could "shift" the start times of all schools later within the four-tier system (recreating a problem with young students arriving home at dusk) or the district could move to a three-tier system, transporting middle school and high school students simultaneously.

A three-tier system would require eight additional buses/drivers in the fleet. The proposed bid price for each route is \$168.11. Multiplied by the number of buses needed (8) and the number of school days (180), the resulting cost to the district would be \$242,078.40/year (excluding a net increase in fuel, which would be incurred). Based on this likely cost, retaining a four-tier system is preferable.

Because a "shift" in the four-tier model would resurrect the problem of primary school students getting home late, staff do not recommend a change in the current four-tier model.

Another possible solution would be to flip-flop the schedule and have elementary students start first. Based on experience of personnel within the district, parents of young children (who require parental, relative, guardian or day-care supervision) typically prefer a later start time and end time for younger children, helping with family logistics and possible child-care costs. This solution is possible, but not recommended.

There are additional benefits to maintaining the current structure. At the current dismissal time, high school students have adequate daylight for afternoon athletics (this can be a challenge toward the end of the fall season in November). A number of high school students work after school, earning income and learning valuable life skills; a later end time would interfere with the amount of time to work and still complete homework.

The staff does believe that a three-tier system can be implemented should another elementary school be constructed in DuPont, since, presumably 4<sup>th</sup> and 5<sup>th</sup> graders would no longer be transported to Steilacoom. The overall transportation structure should be analyzed at that time.

#### **FISCAL IMPLICATIONS:**

A change would increase cost to the district.

#### **RECOMMENDED DECISION:**

It is the recommendation of the Superintendent and staff to retain the existing school schedules and transportation structure.
