STEILACOOM HISTORICAL SCHOOL DISTRICT NO. 1

BOARD OF DIRECTORS

Board Meeting Date: December 9, 2020

Strategic Focus Area

- ☒ Achieve
- ☒ Support
- ☒ Connect
- ☒ Plan

BACKGROUND INFORMATION

In October, the district made the decision to continue remote learning for all grades based on recommendations from the state and county health departments and information regarding the requirements regarding the timing and phasing process for in-person learning. At that time, the district indicated that we would review COVID-19 activity levels and any new recommendations from state and county officials in mid-December and communicate with our families and the community before winter break regarding our January re-opening plans.

Dr. Weight will share an update with the board regarding COVID-19 rates, state and county guidance changes, and any new information and guidance from our risk pool.

Dr. Weight will also share the timeline for a reopening decision and communication, as shown here:

- School Board Update December 9
- Environment Scan December 14
 - Review Data, Other Districts Plans, State/County Frameworks, etc)
- Finalize Plan December 16
 - Timelines, action steps, and communication
- Final Decision by Superintendent December 17
 - Last review of environment and plan
- Communicate with Stakeholders December 18
 - Staff, Families, and Community Partners
- Week of January 11 – repeat the above steps for Pioneer and SHS

RECOMMENDED ACTION:

Update only. No action necessary at this time.

Report prepared by:
Dr. Kathi Weight, Superintendent

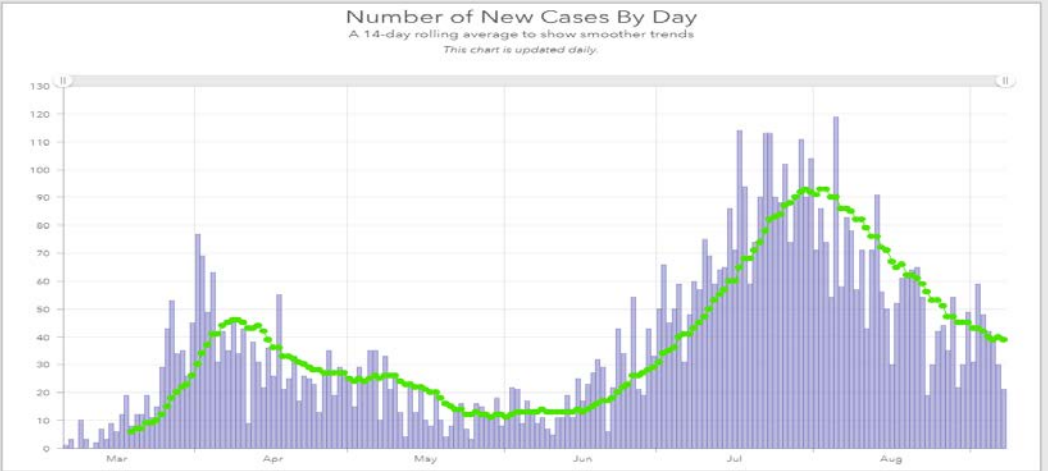

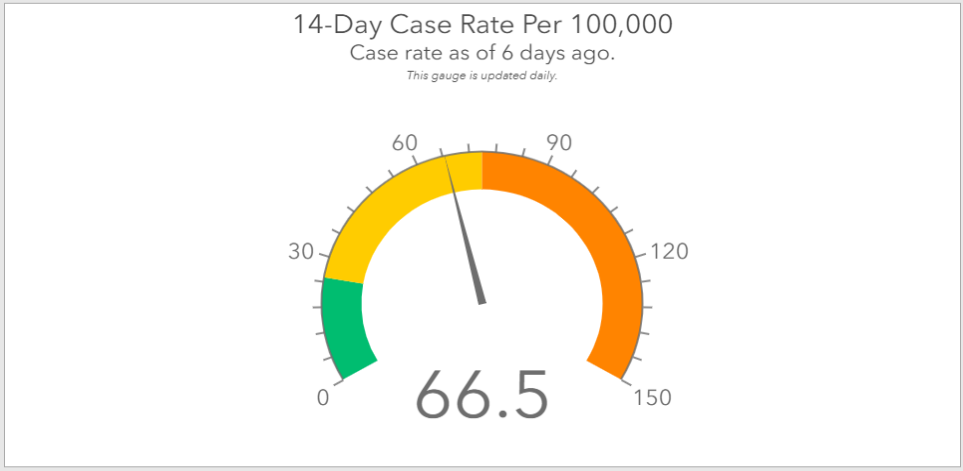

REOPENING SCHOOL UPDATE

Steilacoom Historical School District

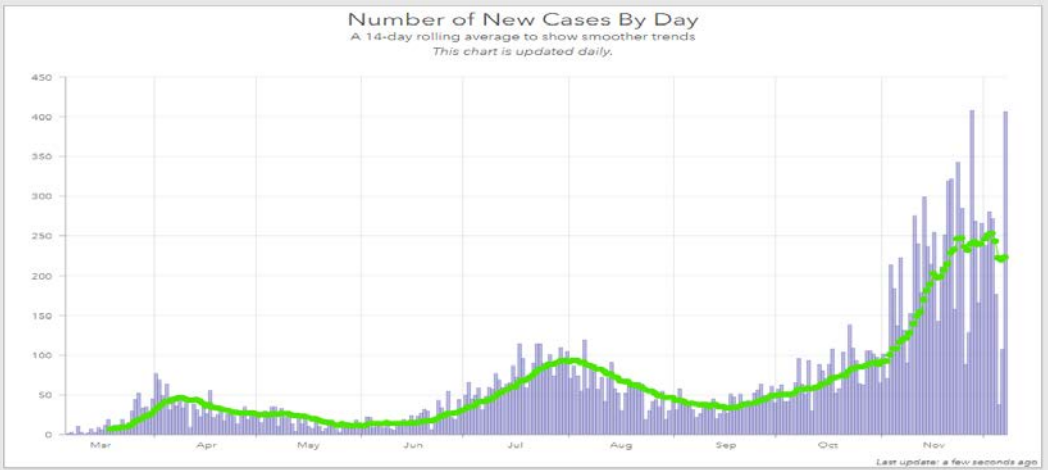

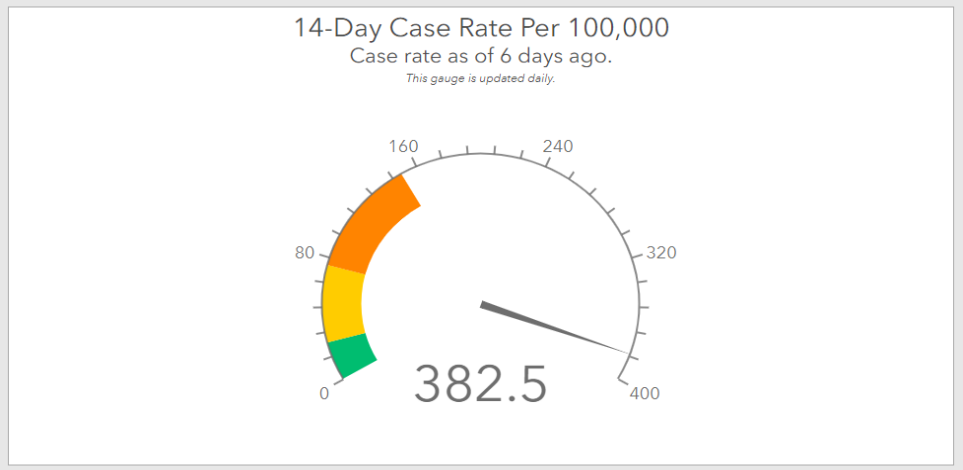

December 9, 2020

TPCHD COVID19 UPDATE — AS OF 09-09-2020

TPCHD COVID19 UPDATE — AS OF 12-08-2020

SHSD BOARD/SUPERINTENDENT DIRECTION FOR COVID PLANNING

- **High quality instruction**
- **Reliable and predictable instruction**
- **Address both academic and social emotional needs of learners**

EVOLVING STATE AND COUNTY SITUATION

- Public health advice and decision tree likely to be changed
 - Possible increase of thresholds – 200 would be the new “High”
- SHSD plans will continue to be based on public health guidance and directives
- The development and distribution of a vaccine within the state, including how it will be distributed to educators will need to be factored into our planning for re-opening.

WSRMP GUIDANCE IS UNCHANGED

- Only change instructional model after local authority has released finalized statement in writing
- Implement changes using a measured and thoughtful approach over a number of weeks
- Align as closely as possible to our District Re-Opening Plan on file with OSPI
- Work with our COVID Safety Committee and applicable L & I guidelines
- Align with neighboring districts, creating community of thought and best practice
